

Core Competencies

We offer drop off catering services for Corporate or Home events, delivering a wide variety of recipes. We prepare fresh, high quality and delicious foods. Local and family owned we strive to be flexible. Our friendly team understands the unique needs for you and your guests and works with you and welcomes custom requests such as dietary restrictions. We earn your business with simple online ordering or planning by phone or in person consultation. Every meal needs a perfect dessert; we create memorable cakes and more – made from scratch. Delicious food deserves delicious beverage. We extend even more services from our knowledgeable and professional beer, wines and spirits team. We will deliver a full beverage set up of your choice. We are reliable, quick and efficient. Offering same day and scheduled deliveries. Our goal is to help you impress your guests!

Past Performance

We service many clients from pick up to drop off and set up catering. We deliver breakfast, lunch, snacks, appetizers, dinner and desserts. Working lunches, holiday gatherings, team building or company celebrations, retirement parties, corporate gifts (platters and baskets).

We add your logo to cakes, cupcakes and cookies!
